

Polyken 108FR Double-Coated Flame Retardant Carpet Tape - 108FR

Product Information Sheet

SKU/Product ID/Reference

108FR

Product Description

Double-Coated Flame Retardant Carpet Tape

Features and Benefits

- Cloth reinforcement
 - Good strength and elongation for easy tear, application and removal
 - Comfortable and moisture resistant
- Flame retardant rubber-based adhesive
 - Clean removal from most surfaces
 - Aggressive bond secure hold
 - Repositionable adhesive for easy installation

Regions Available

Global

Product Information

Adhesive Type	Rubber
Adhesive Type (Liner Side)	Rubber
Carrier / Support / Facestock	Cloth
Gauge / Mil	15 mil
Liner Type	Film
OEM / Specification Body & Specification	Boeing > BAC5034-4 Sec 5.1.a(1)(b) Boeing > BMS 5-133 Type II, Class 1 & 2 Bombardier/deHavilland > DSC 91-8-1 Bombardier/deHavilland > DSC 91-8-2 Embraer > MEP 06-048 FAA > FAR 25.853(a) Fokker > FK05-121 Fokker > FK05-197 Lockheed > LAC C-24-1257
Operating Temp Range	40 to 200 °F
Performance Category / Characteristics	Moisture/Water Resistance Flame Retardant
Color(s)	Natural Black
Product Construction	Double-Coated Tape
Weight per Square Yard (oz/sy)	13 oz/sy
